**How long will I have to participate in MTC?**

- Felony participants must stay at least 12 months or until all obligations are satisfied.

**What are the MTC phases?**

Phases are a way of showing your progress in treatment and seeing how close you are to completing your court mandate.

**How many phases are there and how long are they?**

Felony participants must complete 3 phases:

- Phase 1 ⇒ at least 4 months (0 - 4)
- Phase 2 ⇒ at least 4 months (4 - 8)
- Phase 3 ⇒ at least 4 months (8 - 12)

**Will I complete the phases in the least amount of time?**

That is up to you! Each time you use drugs or the Judge sanctions you, it effects your phase status, causing you to remain in the program that much longer.

**What things will increase the time I spend in MTC?**

- ⚡ Use of drugs and alcohol
- ⚡ Missing program appointments
- ⚡ Lateness at the program or court
- ⚡ Breaking rules at the program
- ⚡ Missing court appearances
- ⚡ Leaving a program without permission
- ⚡ Tampering with a urine sample
- ⚡ Re-arrest (which may result in termination & jail)
- ⚡ Violent, disruptive or disrespectful behavior towards court personnel or treatment staff
- ⚡ (For participants going to school) poor attendance, bad grades or not doing assigned class work
- ⚡ Being discharged from a program
- ⚡ Re-placement in another program

**What will happen if I violate any of the MTC rules?**

The Judge may impose a sanction for any behavior that violates the rules. These sanctions include:

- ⊗ Public reprimand by the Judge
- ⊗ Jury Box sanction ⇒ observing court from 9am-5pm
- ⊗ More frequent court appearances/case management
- ⊗ Jail ⇒ from 1 day up to 2 weeks or more
- ⊗ Discharge from MTC ⇒ sentence to the jail alternative
- ⊗ Essay
- ⊗ Level demotion

**Who can I turn to for help if I feel like using drugs or I feel I might violate one of the MTC rules?**

Everyone involved in the MTC program wants you to successfully complete this program. Ask for help at any time, especially before you use drugs or violate the rules, but even if you already have. You can turn to your program counselor, your case manager or probation officer, your attorney and, even, the Judge.

**Remember** — You will need to do the hard work to change your lifestyle, but we will help you any way we can.

**And ... Keep in Mind** — If you continue to lead the lifestyle that led to your arrest, you put your sobriety and freedom at risk. You are likely to wind up in jail.
